

CSCI 491/591 Homework 5

When you leave this university, you need a way to present yourself and the work that you have done. One of the best ways is to not only show you work but describe who you are. You are to start creating a web presence about yourself. Start by describing who you are and what you are about.

Make sure the page is “intuitive” for all users. Also, make sure that it works on different sized devices (PC vs. Tablet vs. Mobile) as best as possible.

Specifics:

1. You are to add your Babylon 3D animation to the your homework on a separate page.
2. You are to add your Phaser.io game to your homework on a separate page.
3. Both projects should be added to your github repository as well
