

CSCI 491/591 Homework 1

When you leave this university, you need a way to present yourself and the work that you have done. One of the best ways is to not only show you work, but describe who you are. You are to start creating a web presence about yourself. Start by describing who you are and what you are about.

Make sure the page is “intuitive” for all users. Also, make sure that it works on different sized devices (PC vs. Tablet vs. Mobile) as best as possible.

Specifics:

1. Create a home page.
2. Create an experience page
3. Create a contact us page
4. Use basic HTML as well as any HTML5 components
5. Use CSS to style the components that you have on the page
6. Use Bootstrap
